No.11-20/2017/Awareness, जयपुर

Dated: 25th September, 2017

प्राप्ति संख्या 250/2017/40782

Dear Ashok, दिनांक 03 OCT 2017

As you are aware, October 13 every year is celebrated as the International Day for Disaster Reduction.

2. With a view to celebrate the same as well as to create awareness about Disaster Risk Reduction among school children and ensure their participation as they are the future ambassadors of the cause, NDMA is organising a nationwide essay competition for them. This will give an exposure to the young children to different dimensions of disaster management.

3. The competition will be organized in two phases - first at the district and then at the State level. Winners of the competition for both the phases will be felicitated at their district and State Headquarters respectively on October 13, 2017.

4. You are, therefore, requested to widely publicise this competition through your website and other means. NDMA will sponsor the prize money for both the levels of the competition. Details of the competition are given on the concept note attached.

With regards
